

PSO Prescriptive Rebates – Commercial Appliances Technical Requirements

Application Requirements

- A rebate application must be submitted for pre-approval before purchasing and installing equipment, when the project includes a total estimated rebate of \$5,000 or more.
- For projects that do not require pre-approval, a rebate application must be submitted within 60 days of the invoice date.

Required Documentation:

- Customer signed Terms and Conditions
- Spec sheets of new equipment
- Itemized invoice, upon project completion

Submit the rebate application online: www.psobusinessrebates.com
